# Top 10 Registry Gifts

Think you need a fancy mixer, top-of-the-line cookware, and expensive knife sets to cook at home? Think again. Our grandmothers did plenty of cooking in kitchens stocked with a few essential items, and not much else. Here at Relish Cooking Studio we have put together a list of what we feel are the important essentials to outfitting your kitchen to last a lifetime.

## 1 CHEF KNIFE

The chef knife is the workhorse of the kitchen so it's the perfect knife to start with. It's why we have chosen it as our #1 pick.  
Relish Recommends: Wusthof

## 2 CAST IRON FRENCH OVEN

Trust us you'll be amazed at how much use you can get out of this one piece of cookware. It goes from stovetop to oven to table and still looks beautiful. You will have it for years to come and it cooks everything from stews to bread.  
Relish Recommends: Le Creuset French Oven

## 3 26 cm NON-STICK FRYING PAN

From cooking delicate eggs to pan searing salmon, this versatile non-stick pan will last for years. Only needs a gentle wash and hand-dry.  
Relish Recommends: Scanpan or Le Creuset

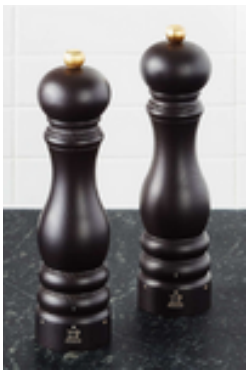

## 4 STAINLESS STEEL COOKWARE SET

A trusted cookware set made from stainless steel is durable, easy to clean and looks good in any kitchen. It comes with all the basics every cook needs.  
Relish Recommends: Le Creuset or Meyer 10 Piece Set

## 5 CUTTING BOARD

No knife is complete without a cutting board (or three). Consider a variety of sizes for large to small cutting jobs.  
Relish Recommends: Epicurean

## 6 PEPPER GRINDER

The perfect tool for seasoning food as you cook. Pepper is always best stored in a grinder to keep it fresher rather than using pre-ground.

Relish Recommends: Peugeot

## 7 MIXING BOWLS

A set of glass or stainless steel mixing bowls are ideal for any kitchen. They are workhorses, but pretty enough to use as serving pieces.

Relish Recommends: Mason Cash

## 8 SHEET PAN

While we love all bakeware, a sheet pan can be used for everything from baking cookies to making a one-pan meal. Choose professional grade pans to last for years.

Relish Recommends: Oxo Good Grips or Le Creuset

## 9 THERMOMETER

For successful cooking, food safety and roasting accuracy every time, nothing is better than an instant read or oven-friendly thermometer.

Relish Recommends: Thermapan/Thermapop

## 10 AIR TIGHT FOOD STORAGE CONTAINERS

If you dream of a perfectly organized kitchen, do yourself a favour and add this item to your registry. These handy containers come in a variety of sizes.

Relish Recommends: Oxo Pop Storage Containers

While we have many other products in our store, we hope this list helps to get you started on creating the perfect gift registry for your new kitchen.
