hello!

# ABOUT US

For over 50 years, LAND Leather has been operated and ran by the Iszler family. Through this dedication, we believe we have established, at our core, the most important aspect of a successfully run business; taking care of our customer's as our family. By investing in one of our beautiful leather goods, you aren't just purchasing a high quality leather good that will last you a lifetime; you're investing in a belief that our customers, not our items, are what make us one of a kind.

Our products, as they have always been, are manufactured in Colombia, South America with the exception of some smaller collections.

From everyday adventures to extraordinary journeys, we believe in handcrafting the finest leather goods to accompany you on all your adventures. Our full and top grain leather, hand-casted solid brass hardware, one of kind water proof linings and high strength stitching uphold our promise of uncompromised quality and craftsmanship.

LAND Leather and the Iszler family continue to honor the beliefs and love of leather our founder Jimmey always shared and we continue to stand behind each LAND Leather good produced and sold around the world today.

# BEHIND THE SCENES

So what exactly do we do? We're makers of leather bags and accessories designed with your passions and adventures in mind. Leather companions that will only get more beautiful as they age alongside you and build their own unique story as you have done so throughout your life. Our customer service is unmatched and our leather goods are all made with the highest quality materials we can source and backed by our "no non-sense" **lifetime guarantee** that covers any and all manufacturing defects. There is no catch. We don't need to see your proof of purchase. We don't need you to be the original owner. We just need you to be a customer. We're in this for the long haul.

## *how we work*

- We only use Colombian full-grain and top-grain leathers hand selected for our leather goods.
- The majority of our hardware is solid brass made in our very own foundry from recycled metals.
- Our lining was uniquely designed for us and is tearproof and waterproof for the unexpected moments in life.
- We use high strength stitching and YKK and EKA zippers for premium quality.
- We back our items with a **lifetime guarantee** against all manufacturing defects.
