

TinyCircuits Reseller Program

Price List Updated – April 15th, 2016

<http://www.TinyCircuits.com>

Thank you for your interest in becoming a reseller for TinyCircuits products. We offer three reseller levels – Hackerspace / Non-profit reseller, Standard Reseller and a Preferred Reseller. To become a reseller, please fill out the application form and submit it to sales@tinycircuits.com.

Level 1 - Hackerspace / Basic Reseller

For a basic reseller or non-profit (like a Hackerspace or educational institution). There is no contract or long term agreement needed.

Min Order: \$250

Payment Terms: Credit Card or PayPal at time of checkout

Discount: 20% off all qualifying products

Level 2 - Standard Reseller

For a standard reseller through a webstore or retail outlet. Basic Retailers / Hackerspaces can also qualify if they meet the minimum order amount.

Min Order: \$500, or long term relationship agreement in place

Payment Terms: Credit Card or PayPal at time of checkout

Discount: 30% off all qualifying products

Level 3 - Preferred Reseller / Retailer

For webstore resellers and retail outlets - a long term relationship agreement is needed to be put into place. Expected annual volume of \$5000+. Retail Packaging is available at this level.

Payment Terms: Negotiated, typically Net 15

Discount: 40% off all qualifying products
