Environ Facials

Environ's philosophy is to maintain a beautiful skin for a lifetime, no matter what your age, skin tone or gender may be. Dr. Desmond Fernandes developed the cosmeceutical range using vitamins, flavonoids and anti-oxidants to protect, restore and assist the skins ability to repair itself, offering real results and a glowing, healthy radiance.

Revival Facial - 60 minutes

\$102

Help soften the appearance of fine lines, sun damage and sagging skin with our peptide and vitamin facial for a more youthful appearance.

Environ Vitamin Therapy Facial - 75 mins

\$138

A luxurious, relaxing treatment that delivers essential vitamins to restore the skins health, radiance and resilience. The magic of this treatment lies in the combination of specially selected powerhouse formulations and the caring, therapeutic hands of our skincare professional.

Environ Cool Peel - 90 mins

\$152

Our skincare professional will expertly select an Environ Cool Peel according to your skins needs so you can experience the transformative power of the industry's most intelligent peeling technology. Safe and highly effective, Environs non-invasive Cool Peel technology will help revive, refine and brighten your skin. Recommended course of 6 peels for best results. Use of an Environ vitamin A moisturiser for a minimum of 3 weeks prior is essential. This treatment is best during Autumn & Winter.

Rosacea Treatment Facial - 30 mins

\$95

Soothe and comfort the signs and symptoms of rosacea.

Treatment is a 6 week course and includes home care. Use of an Environ vitamin A moisturiser for a minimum of 3 weeks is essential. This treatment is best during Autumn & Winter.

Collagen Induction Therapy - 120 mins

\$350

This non-invasive facelift procedure assists in stimulating the release of growth factors which results in the synthesis of healthy collagen and elastin, leaving your skin looking younger, tighter, firmer and healthier. Recommend a course of 4-6 treatments 1-2 weeks apart for best results. Aftercare product included. Pre treatment consultation and use of an Environ vitamin A moisturiser for a minimum of 3 weeks prior is essential. This treatment is best during Autumn & Winter.

Pre-Pay for 5 treatments and receive 6

Hand Vitamin Wrap - Add on to your treatment

\$25

The perfect add on to any environ treatment to effectively soften, smooth and revive the appearance of dry, sun damaged skin on the hands and feet. The intelligent combination of AHA's and essential vitamins A, C & E will help deeply nourish and reveal healthier, more even toned and youthful looking skin.
