

Shown in Assorted Glaze

Glazed and Terra Cotta Collection

Campania's glazed and terra cotta planters are hand made from natural clay using traditional artisanal techniques and high-fired at temperatures between 990-1000 degrees centigrade to ensure frost resistance and durability. Glazed planters are coated with natural glazing elements that are baked onto the surface to enhance the products resistance to weathering.

Please note that actual colors may vary slightly from those depicted here.

Material	Item Description	Item #	Available Colors	Outside Dimensions	Planting Dimensions	Base Dimensions	Approx. Weight

Materials: Natural clay and natural glazing elements

Care & Maintenance/Planting Instructions: Cold painted planters are recommended for indoor use only. If your planter is supplied with a saucer and drain hole, it is important that the drain holes remain unobstructed to ensure proper drainage.

Cleaning Instructions: It is recommended that Campania's Cold Painted planters can be cleaned with mild soapy water. Do not use alcohol based or corrosive cleaners or clean with anything abrasive.

Warranty: Campania International provides a limited 3 year warranty for material and manufacturing defects only assuming proper product care and maintenance as described in Campania's product specifications. Please refer to Campania's care instructions for proper care and maintenance. In addition to the failure to properly care for and maintain the product, this limited warranty does not apply to any defects which occur in the color or surface of the product which are the result of natural weathering, exposure to the elements or improper winterization. Campania International will not be held liable for any incidental or consequential damages, including but not limited to damage to any plants which may have been planted in the product.
