Material Safety Data Sheet

1. Material Identification

Product Name: UV3/Masterguard Stainless Steel Cleaner

2. Hazardous Ingredients

Chemical Family: Proprietary and confidential information.

Appearance & Odor: Clear, colorless & slightly fruity

3. Hazards Identification

Potential Health Effects

Eye: Exposure may cause mild eye irritation.

Skin: Exposure may cause mild skin irritation, prolonged exposure may dry skin

Swallowing: Single dose oral toxicity is low. Swallowing small amounts during handling is not likely to cause harmful effects.

Inhalation: Exposure to vapor or mist is possible. Short-term inhalation toxicity is low. Breathing small amounts during normal handling is not likely to cause harmful effects.

Symptoms of Exposure: Gastrointestinal irritation (nausea, vomiting, diarrhea), irritation (nose, throat, respiratory tract).

4. First Aid Emergency Procedures

Eyes: Flush eyes gently with water while holding eyelids apart.

Skin: Remove contaminated clothing. Wash exposed area with soap and water. If symptoms persist, seek medical attention.

Swallowing: Seek medical attention. Do not induce vomiting.

Inhalation: If symptoms develop, move individual away from exposure and into fresh air. If symptoms persist, seek medical attention.

5. Fire & Explosion Information

Flash Point: 220° F

Autoignition Temperature: 428° F

NFPA Ratings: Health 0; Flammability 1; Stability 0.

Extinguishing Media: Use dry chemical, foam, or carbon dioxide

Firefighting Measures: Water may be ineffective but can be used to cool containers exposed to heat or flame. Caution should be exercised when using water or foam as frothing

may occur, especially if sprayed into containers of hot, burning liquid.

Unusual Fire and Explosion Conditions: Dense smoke may be generated while burning. Carbon monoxide, carbon dioxide, and other oxides may be generated as products of combustion.

6. Stability and Reactivity Data

Chemical Stability: Not established
Conditions to Avoid: Heat, sparks, flame
Incompatible Materials to Avoid: May react with strong oxidizing agents
Hazardous Polymerization: Will not occur.

7. Spill, Leak and Disposal Procedures

Containment and Clean Up: Contain spill immediately. Do not allow spill to enter sewers or watercourses. Absorb with appropriate inert material such as sand, clay, etc. Large spill may be picked up using shovels, buckets, or other means and placed in drums or other suitable containers.

Disposal: All disposals must comply with federal, state and local regulations.

8. Handling and Storage Information

Handling: Avoid breathing vapors or mist. Avoid contact with eyes. Avoid prolonged or repeated contact with skin. Wash thoroughly after handling. Wash clothing prior to reuse. May be slippery when spilled. Fire extinguishers should be kept readily available.

Storage: Do not transfer to unmarked containers. Store in closed containers away from heat, sparks, open flame, or oxidizing materials
