FEATURES & BENEFITS

70" tall – nearly 6' – and a full 16" in diameter provides the ultimate punching, kicking and striking bag for all sizes and skill levels

Solid dense foam core with a durable canvas backed vinyl cover provides ideal resistance and shock absorption

High-tech PVC rubber Flex-Neck attaches the industrial plastic base to the full-length center pole for slight flex-action

Base conveniently fills with approximately 260 lbs. of water or sand for excellent stability
