### ASG FABRIC DESIGN CONTEST PART 2

For Part 2 of the ASG Fabric Design Contest, chapters were asked to submit photos of projects that featured the ASG fabric. The chapter whose members submitted the greatest number of entries in proportion to the size of the chapter was the winner.

ASG received 1,275 entries! During the 40th Anniversary Celebration at ASG Conference 2018, ASG National Board Director Joi Bostic announced the top three chapters:

Each chapter received a certificate redeemable for a one-day presentation of their choice by an SVP Worldwide (Singer-Viking-Pfaff) educational representative in 2019.

Plans for ASG Fabric Design Contest Part 3 will be published in the Winter 2019 issue of *Notions*.
