The Best Hand Creams to Wear This Winter

Suffering from weathered, winter-worn hands? Don't fret. This season is especially tough on palms, knuckles, and cuticles, so we've hand-picked the 10 best hydrators to combat cracking and dryness—once and for all.

Make Marine Salve

Chock-full of hydrating heavy-hitters like, shea butter, cocoa butter, and jojoba oils, this multi-purpose salve diminishes dry patches *all* over the body, including the obvious spots—hands, cuticles, elbows, and even lips.
