

The Best Beauty From
NYFW F/W '18

Maryam Nassir Zadeh

Very ITG, it's fair to say. Neon liner on dewy skin (sounds familiar), by Farah Homidi (also familiar), using MAKE—a brand that loves a multi-stick *almost* as much as we do. (Proof!) But the confetti nails, using Turn It Up from Orly, were the only thing we could talk about when we got back to the office.
