

# 10 Beauty Trends That Will Be Huge in 2017

From microblading to glitter everything.

by LAUREN VALENTI Jan 5, 2017

## 5 GLOSSED EVERYTHING

Glossy lids are still going strong, but the eyes aren't the only part of your face that could benefit from a boost in shine. From lip gloss' much-needed comeback to MAKE's Face Gloss, a clear, non-sticky formula that will give your cheekbones or collarbones some youthful sheen, it's time to get glossy with it all over.
