

## 28 Beauty Launches To Get You Pumped For Spring

There's more than warm weather to be excited about

**MAKE**, Succulent Mist, \$25, available at [MAKE](#).

Being millennials, we're clearly attracted to *any* beauty product that includes the word "succulent," but this spritz is the real deal. It's calming, cooling, and moisturizing, using aloe vera, prickly pear, and hyaluronic acid to keep our skin in check.
