You'll Love: MAKE Beauty

If you're on the hunt for makeup with equally sleek packaging and A+ color payoff, look no further than MAKE Beauty. The indie makeup brand offers a host of fun lipsticks, contour palettes, primers, and liners. This particular duo, which houses black and white cream eyeliners, can be used in a myriad of ways — graphic cat-eyes, two-toned liner, or as an all-over lid base for shadow.

MAKE Beauty Super Matte Cake Liner Duo, \$25, available at [MAKE Beauty](#).
