Meet the Beauty Kit Our Editors Can't Stop Obsessing Over

by AEMILIA MADDEN

Maybe it's just us, but aside from pool parties, **beach days** and **fabulous vacations**, our favorite part of summer is finally being able to break out all of the color—starting with our lipstick. Since we know we can't possibly be the only ones going for a bright pout this season, we're sharing our favorites for every skin tone to make your next shopping trip a success. Ahead, the prettiest lip colors to get you on trend this summer.

Silk Cream Lipstick, MAKE \$25
