

CHONKY TRASH KITTY NIGHT LIGHT

This product includes: Chonky Cat LED Night Light and user manual.

Caution

For proper and safe use, please read the following instructions before usage.

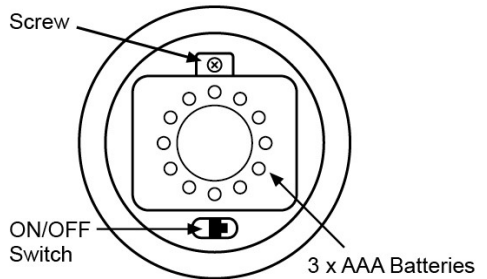

Package Contents

- 1 x LED Tap-on Night Light
- 1 x User Manual

(3 x AAA batteries are not included)

Product Specifications

- Soft LED light for night time use
- On/Off switch
- Built in 1-hr timer with automatic shut off
- Durable, non-toxic and easy to clean
- Cool to the touch

First use

Remember to install the batteries into the battery compartment at first use.

Operating the light

1. The on/off switch is located at the base of the light.
2. Switch the button for light on, and switch the button again for light off. The night light will automatically turn off after 1hr.
3. Tap on the night light to turn the light on/off.

Battery Change

1. The battery compartment is located at the base of the light. Remove the screw securing the battery cover with a Phillips head screwdriver.
2. Replace the AAA batteries taking care to follow the polarity guide on the battery compartment.
3. Replace the battery cover and secure screw.

4. When the battery is running low, following situations might occur:
 - a. LED light flashes continuously and quickly.
 - b. LED light suddenly flashes in full bright and suddenly turns off.
 - c. LED light does not light up.

Please replace with new batteries when above situations occur.

Battery Precautions & Disposal:

- Use only the size and type of batteries specified.
- Be sure to follow the correct polarity when installing batteries.
- Non-rechargeable batteries are not to be recharged
- Rechargeable batteries are only to be charged under adult supervision
- Different types of batteries or new and used batteries are not to be mixed
- Exhausted batteries are to be removed from the toy
- The terminals of a single-use or rechargeable battery must never be shortcircuited
- Dispose of batteries in a responsible manner
- Do not put batteries in a fire under any circumstance as they may explode.

Product Warnings

This product is for indoor use only.
