

# Danforth Chair **NEW**

**UPHOLSTERY** → Fabric  
**BASE** → Tubular Stainless Steel

The Danforth Chair is an updated interpretation of the classic wingback style. The chair features a cutaway arm silhouette and a continuous tubular stainless steel base, both of which lend to its modern, graphic appeal. Made with 100% FSC-Certified wood, in support of responsible forest management.

THIS PRODUCT IS MANUFACTURED WITH FSC-CERTIFIED WOOD
