Combining fluid curves and tailored lines, the Hilary LOFT Sofa is a contemporary take on mid-century Scandinavian style. A channel-stitch detail on the backrest adds subtle interest and unbroken piping along the arms and back emphasizes Hilary's sculptural form. With its high back support and splayed angular wooden base, the Hilary is designed for relaxing in style. Perfect for condos, apartments, and spaces where every square foot counts. Also available as a chair. Constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.
