

Thataway 102" Sleeper Sofa

Merging curves and comfort, Thataway is hanging at the intersection of the nearly unassuming and "Whoa, what's that?" Normal and unusual all at once the sofa's tight seat and back provide an agreeable sit, while the sweeping arms deliver the pretty. Best part, Thataway's hidden talent. The seat cushion flips forward to create a sleeping surface in a pinch. You are welcome. Shop the entire Thataway Collection.
