Materials

- Dark Brown Leather: A top grain pigmented semi-aniline leather finished with a protective top coat to create a consistent and durable finish
- Granite Leather / Toffee Leather: A full grain natural aniline leather made from the highest quality hides; expertly tanned and milled to create a soft buttery hand and luxurious finish that will patina over time; Granite is a rich charcoal color. Color variation is a signature to the authenticity of natural leather
- Sturdy kiln-dried American hardwood frame, doweled and corner blocked for added strength
- Sinuous steel springs provide durable support beneath cushions
- High resiliency foam cushions with feather down wrap provide a mix of firm support and comfort, and with use will take on a more casual appearance. To promote even wear over time, we recommend fluffing and flipping cushions frequently after use.
