

UBKBTRAYM

HDPE Mini Tray

- Rigid textured HDPE (High Density Polyethylene)
- 19.38" keyboard tray with mouse guard & cable manager
- 6.5" depth from palm rest to back edge
- Shallow design allows for storability on shorter track
- Off-set mounting holes allow for increased functionality
- Gel-feel foam palm rest offers gentle comfort
- Swivel only mouse surface can be mounted left of right

UBKBTRAY27

27" HDPE Tray with Two Mousing Surfaces

- Rigid textured HDPE (High Density Polyethylene)
- 100% recyclable
- Keyboard & mouse on the same plain (recommended)
- Right or left mousing with easy switchover (recommended)
- Off-set mounting holes allow for increased functionality
- Gel-feel foam palm rest offers gentle comfort
