Adjustable Height Sit-Stand Desk

SET IT & FORGET IT!

Once your preferred standing & seated heights are set, the table will stop at your settings every time. No guesswork.

Range 25.92" - 42.45" (incl. 1" work surface). Dual Electric Actuator with separate motor in each leg. Best for personal height of 5'-8" to 5'-10" including normally worn shoes. Synchronized movement. Sleek clean aesthetic with flat foot design. No friction marks on visible coated surfaces. Stability without crossbars gives a pure, simple design.

Tested to withstand 20,000 cycles. (Equivalent of 20 years of office use.)

- Easy to use up/down handset
- **SET IT & FORGET IT!** - Programmable low limit control (for obstructions higher than 22.5"), plus personal standing height control.
- Dual actuator system with separate synchronized German Bosch motors driving each leg
- Electric speed matches industry standards
- Tables are designed so that the paint will never mar the leg during operation.
- Tables are free from lubricants that can leach from the legs into the environment
- Flat foot design includes adjustable (10mm) glides and optional casters
- All metal surfaces are powder coat finished.
- Silver is standard. White and Black available. Contact Customer Service.
- Lifts 268 pounds
- Packaging includes all screws necessary for attaching a 1" surface. Accepts either 24" or 30" deep tops.
- Compliant with Bifma Standard ANSI/BIFMA X5.5-2014, UL962 and CSA – C22.2 No.6809, CAN/CGSB-44.227-2008
- Made in the USA
- Limited Lifetime Warranty
