12991.10
\$1619.00

Residential/Light
Commercial Use

Suitable for Residential/Light Commercial Use (Kitchens,
Bathrooms and Laundries in Hotels, Motels and
Retirement Villages).

Guarantee

1 Year Guarantee on toilet seat and cistern parts

Guarantee

10 Year Guarantee

4 Star WELS rating
(Toilets)

Allows for a 4.5 litre large flush and a 3 litre half
flush

Skirted Design

Premium design allows for quick and easy exterior
cleaning.

Comfort Curve Seat

An ergonomic fit that comfortably contours to the body.

Double Vortex Flushing System

Maximum flushing performance, with minimum water usage. The design of the bowl propels the water forward and creates a strong flushing momentum.

VC Allowance

Please give an allowance of 10mm (-/+) for all Vitreous China basin dimensions.

Quick Release

Seat can easily be removed and just as easily reattached in an instant.

Soft Close Seat

The Soft Close automatic closure system finally puts an end to noisy closing WC seats. Just a fingertip touch and the lid closes all by itself, gently and silently.

Dual Flush

A Dual flush toilet provides the user with two flushing options (Full flush & half flush). Both practical and water efficient.

Our favourite toilet now comes with an updated overheight design that allows for easy transfer on and off the seat, plus a new low profile cistern top that compliments a thinner soft close quick release seat for a more modern and sophisticated look and feel.
