Designed & Engineered in Germany

---

With its C-shaped spout, this sink mixer will add an accent to your kitchen. Meticulously designed in every detail, it offers unparalleled flexibility. It comes with an adjustable swivel range that can be set to 0, 150 or 360 degrees, allowing you to lock the spout in position or switch easily between two basins. Thanks to its high spout, even tall pots are filled effortlessly. Engineered with the GROHE SilkMove technology, water temperature and volume control are continuously variable. With the easy installation system, you'll have your kitchen tap mounted in the blink of an eye and it will be a visual highlight in your kitchen. Finished with the durable GROHE StarLight chrome coating, it will retain its dazzling look even after years of use.
