

Available List of Stencils

All stencils are made from tough, flexible Low Density Poly Ethylene (LDPE) plastic in 1/16" (DURO) and 1/8" (MAXI) thicknesses. Try the DURO plastic for occasional use. Choose the MAXI plastic for the frequent use. The DURO is more flexible while the MAXI is heavier and tends to lay flatter without wrinkles.

All stencil dimensions are listed as: HEIGHT x WIDTH x STROKE for a single letter in inches (Arial Font).

D=Duro 1/16" and M=Maxi 1/8" | Stencil images can be found at the end of the price list
