Customer shall indemnify, defend and hold PMSI harmless against any and all third party causes of action, claims, liabilities, losses, costs, damages and expenses (including, without limitation, attorney's fees and expenses) to the extent arising out of Customer's failure to comply with any of its commitments under this paragraph 10.
11. **FORCE MAJEURE –** (a) PMSI shall be relieved from liability hereunder for failure to perform any or all of its obligations for the time and to the extent of such failure to perform where PMSI's failure is occasioned by any cause or causes of any kind or character beyond the reasonable control of PMSI (any such cause herein referred to as "Force Majeure"), including, without limitation: acts of god; accidents; fire; explosion; flood or hurricanes; strikes, lockouts or other industrial disturbances; riots or civil commotion; war whether declared or undeclared; compliance with any law, rule or regulation; shortage or breakdown or other failure of facilities used for manufacture or transportation; shortage of labor; inability to secure, in PMSI's sole discretion, all at reasonable prices, transportation, power, fuel, materials or supplies; or total or partial shutdown due to PMSI's normal plant turnaround or as required by PMSI's operations. If PMSI is rendered unable by Force Majeure to carry out its obligations hereunder, PMSI shall give notice to Customer, and upon the giving of such notice the obligations of PMSI, insofar as they are affected by such Force Majeure shall be suspended during the continuance of the Force Majeure event. Upon the cessation of the cause or causes for any such failure or delay, performance shall be resumed but such delay shall not, except by mutual agreement, operate to extend the term of this Agreement or obligate PMSI to make up deliveries missed. (b) Regardless of the occurrence or non-occurrence of any of the causes set forth in

paragraph (a) above, if for reasons beyond PMSI's control, supplies of any Product deliverable hereunder, or of crude petroleum or other feedstock from which such Product is derived, from any of PMSI's existing sources are curtailed or cut off or are inadequate to meet PMSI's own requirements and its obligations to its customers, PMSI's obligation hereunder during such period of curtailment, cessation or inadequacy shall at its option be reduced to the extent necessary in PMSI's sole judgment to allocate among PMSI's own requirements and its customers (whether under contract or not), such Product as received and as may be available in the ordinary and usual course of PMSI's business from any such existing sources of supply at the location(s) from which deliveries hereunder are normally shipped. PMSI shall not be obligated to purchase or otherwise obtain other supplies of such Product, crude petroleum or other feedstock from which such Product is derived to make up inadequate supplies or to replace the supplies so curtailed or cut off. PMSI shall not be obligated to make up deliveries omitted or curtailed hereunder, and any such deficiencies in deliveries shall be canceled from the contract with no liability to either party therefor.

12. **COMPLIANCE WITH LAWS AND REGULATIONS** — Customer agrees to comply with all laws, rules and regulations in any way relating to Customer's purchase, ownership, transportation, receipt, handling, storage, processing, alteration, use, disposal or resale of the Products, alone or in combination with other substances or processes and shall indemnify, defend and hold PMSI harmless against all losses, claims, causes of action, penalties and liabilities arising out of Customer's failure to comply with the foregoing.
13. **US SANCTIONS AND EMBARGOES** – Customer shall ensure that no volumes of the products will reach any countries, entities or individuals which are under sanctions and/or import or export restrictions of the United States or the country from which PMSI ships the Products.
14. **MISCELLANEOUS** — This Agreement shall not be assigned in whole or in part by either party without the written consent of the other party, except that PMSI may, upon written notice to Customer, assign its obligations hereunder to any affiliate of PMSI. No waiver by either party of any breach of any of the terms and conditions hereunder contained shall be construed as a waiver of any succeeding breach of the same or any other term and condition. This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona to the exclusion of its rules on conflicts of law. PMSI and Customer explicitly exclude the application of the United Nations Convention on the International Sale of Goods (1980). All legal proceedings arising out of or relating to this Agreement shall be brought in the courts of the State of Arizona, County of Maricopa, or, if it has or can acquire jurisdiction, in the United States District Court for the District of Arizona, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the proceeding shall be heard and determined only in any such court and agrees not to bring any proceeding arising out of or relating to this Agreement in any other court. If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed and enforced as so limited.
