

Technical Data Sheet (TDS)

Active Elements – Enrich Pigments

www.UBQind.com

Description

Enrich Pigments are convenient liquid colorants designed for use in the 700 EBC – Epoxy Body Coat system. They provide rich, brilliant colors and are premeasured to dose into 3 gallon and .75 gallon epoxy kits. Enrich colors are used to deliver solid consistent colored floors. They are also used as the base color for Alchemy Metal Pearls, chip floors and quartz systems.

Warranty

This warranty is made in lieu of all other warranties, either expressed or implied. Before application the User shall determine the suitability of the product for his/her intended use and User assumes all risks and liabilities whatsoever in connection therewith. Neither seller nor manufacturer has any knowledge or control concerning the purchaser's use of this product and no warranty is made as to the results of any use. The Manufacturer and/or Seller warrants that if any goods supplied prove defective in material the sole obligation shall be to replace said product. Any claim of defective product must be received in writing within one (1) year from date of shipment. Neither Manufacturer nor Seller shall assume any liability for injury, loss, or damage resulting from use of this product.

DO NOT TAKE INTERNALLY. KEEP OUT OF REACH OF CHILDREN.
