

HOW TO GET THE MOST OUT OF SNAPWORDS® LIST N2

WE LOVE SIGHT WORDS!

But learning sight words is just a stepping stone to reading!

SnapWords® work wonders in getting children reading high frequency words. But we don't stop there!

Take your students from zero to really reading in a few simple steps.

HERE'S HOW:

1. Teach the words by Level. Each card is marked with a purple dot and a number. Find all the cards from one level at a time.
2. Display that Level of cards in your pocket chart.
3. Teach words using one of 3 different resources: *SnapWords® Mini-Lessons 2*, *Beyond Sight Words Activities N2*, or *How to Teach SnapWords®*
4. Assess the word list for current Level (page 2). Use the sheet for progress reports.
5. Practice reading activities using the words in context - See *Beyond Sight Words Activities N2 & Sight Words in Sentences*.
6. Assess reading sight words in passages. See sample from *Beyond Sight Words Activities* on page 3.
7. Use *Right-Brained Spelling & Phonics Kit* to support your work with advanced sound spellings.

2. Pocket Chart

3. Teach Words

5. Practice Reading N2 words

7. Teach Spelling and Sound Spellings using the Right-Brained Spelling & Phonics Kit
