

風呂敷の使い方

1. Connect A and B and leaves some space under the knot.
2. C and D are also connected in the same way.
3. Pass one knot through the other knot.
4. The threaded knot becomes the handle. If the back of the handle is empty, reconnect C and D along the shape.

OR

Connect "a" and "a" and "b" and "b" and it is ready to go in no time.
