TECHNOLOGIES

PRO CONTROL FORK

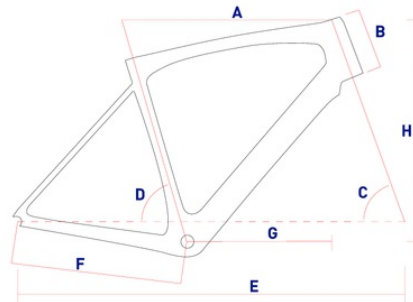

DESCRIPTION

The all-rounder among the road bikes. The bike fits perfectly for multi-day tours, sportive group rides and for all those who would like to ride on both road and gravel surface. With the new super stiff and lightweight carbon frame the gravel bike is the first choice for a big huge road bike adventure

- Stylish G-One Allroad tires
- Precise and reliable shifting with SRAM Force 1
- super lightweight allroad carbon frame
- Light and stiff Mavic Allroad Disc wheels
