VINTAGE AND WINEMAKING NOTES

The 2018 vintage was excellent in the Perth Hills. Rain at the very beginning of January was perfectly timed to recoup canopies and reinvigorate the vines. Mild, moderate temperatures throughout the remainder of the growing season yielded beautiful clean fruit, rich in varietal flavour and with pristine natural acidity.

Millbrook Regional Viognier is always made to a dry, modern style with savoury notes complemented by bright and generous fruit. Individual parcels of fruit were hand picked in the cool of the night and were pressed directly to tank. Cold settled and hard racked to retain textural grape solids, the wine was then left on lees for three months to build texture and depth before being lightly fined and filtered prior to bottling.

TASTING NOTES

Colour Vibrant pale straw.
Aroma The wine displays floral notes, with apricot and grapefruit.
Palate A hedonistic richness of palate true to this variety is supported by flavours of marmalade and marzipan with a lingering finish. A medium-bodied wine that has the intensity and generosity expected from this truly flavoursome variety.

CELLARING

Best drunk over the next three years.

REGIONAL RANGE

The Millbrook Regional range highlights the quality and diversity of Western Australia's wine regions. Millbrook's winemakers have identified specific regions best suited to the varieties in the range in order to make expressive, vibrant and varietally pure wines, which perfectly match a range of cuisines.

Located in the historic town of Jarrahdale in the Perth Hills wine region, Millbrook Winery is a multi-award winning, boutique vineyard, farm, orchard, restaurant and winery.

The 20-acre estate plantings are focused on the Rhône varieties of Shiraz and Viognier. Millbrook also sources parcels of fruit from perfect sites across Western Australia, working with expert and dedicated growers to create modern and stylish wines that represent authentic and vibrant varietal character.
