

SKU: CP-COMBI308/5 BLACK

Wiska Combi 308/5/S/Black weatherproof Junction Box IP66

The Wiska Combi junction box is ideally suited for extreme conditions or outdoor installations. Weatherproof, ultraviolet resistant, shatterproof, and impact-resistant, this junction box can be used in commercial, industrial, and domestic applications.

Specification

Material	Polypropylene
Material sealing gasket	TPE
Temperature	Min = -30 °C and Max =100 °C
Temperature during install	-5 °C - 60 °C
IP rated	IP66 / IP67
Glow wire test	750 °C
Voltage	400V
Rated current / A (Terminal)	32 A
Terminals/poles	5 x 4mm ²
Cable diameter	Min = 3mm and Max = 12mm
ETIM-Classification	EC002600

Product

Dimensions

Height – 85mm
Width – 85mm
Depth – 51mm

SKU: CP-COMBI308/5 GREY
