Power

Power on:
Press and hold the “Play” button for 3 seconds. The blue light will go on for 1 second.

Power off:
Press and hold “Play” for 5 seconds. The red light will flash for 1 second.

Charging

The red light is on while charging. When charging is finished, the red light will turn off.
*A quick charge for 15 minutes supports 1 hour of music playback. A complete charge takes about 2 hours.

Bluetooth Pairing

The pairing mode starts automatically the first time it was turned on. The red and blue lights will flash alternately.
*When the headphones are on, press and hold “Play” for 3 seconds to start the pairing mode.

In-line Control

Answer
End Call
Decline: Press and hold
Last Number Redial:
Press twice while in standby

Phone Controls

Decrease Volume

Music Controls

Increase Volume: Press Vol+
Previous Track: Press and hold
Play/Pause
Decrease Volume: Press Vol-
Next Track: Press and hold

*The above functions may be vary in different devices.

Extra Functions

Security Pairing: If the pairing phone has Bluetooth prior to 3.0, please use the default security code “0000”.

Unpairing: Press and hold Vol+ and Vol- for 5 seconds. The headphones will switch to automatic discovery mode.

Battery/Volume Display: Currently supports iOS only; may not support other operating systems.

Multi-Device Connection: When there are two phones connected to the headphones, only one of the phones will be supported.

If Out of Wireless Connection Range: The headphones will try to reconnect for 5 minutes. Then they will turn off automatically if not connected to any device.

We Appreciate Your Business

We know you will enjoy new 1MORE headphones as much as we do. At 1MORE, we value your satisfaction. Limited Warranty

1MORE products are warranted against defects in materials and craftsmanship for a period of one year from the date of the original retail purchase when used in accordance with 1MORE’s user manuals. Under this warranty, your claim can be directed to 1MORE, even if you purchased the product from an authorized third party. During the warranty period, 1MORE will, at its sole option, repair or replace the original, defective parts or issue a refund in the amount of the original purchase price. This warranty does not include damage resulting from accidents, or from improper use, maintenance, or repair, or from other causes that are not defects in materials or craftsmanship.

For full warranty details, please visit www.1more.com

Environmental Consciousness

1MORE iBFree Bluetooth® In-Ear Headphones meet RoHS2.0 (2011/65/EU) requirements.

☑ means that the amount of toxic substances or elements in a particular part is less than the requirements under the European RoHS2.0 (2011/65/EU) standard, which is "the Restriction of The Use of Certain Hazardous Substances in Electrical and Electronic Equipment" standard.

X means that the amount of toxic substances or elements in a particular part is more than the requirement under the European RoHS2.0 (2011/65/EU) standard. The "X" in above form meets European RoHS2.0 standard.

Tips

1. Please read this instruction manual carefully and retain for future reference.
2. Please fully charge the battery before first use.
3. If the headphones have been unused for more than 3 months, we recommend that you charge them. This will improve battery capacity.
4. Only use chargers that are FCC (Federal Communications Commission) approved.
5. In dry environments, static electricity may numb your ear. This is not related to the quality of the product.

Safety Information

1. Never disassemble the headphones. There are no user-serviceable parts inside.
2. Do not expose the headphones to temperatures below 32 °F (0 °C) or to temperatures above 113 °F (45 °C).
3. Do not use the headphones in a thunderstorm. This could prevent the headphones from working properly, and also increase your chance of being electrically shocked.
4. Do not use oil or any volatile liquid to clean this product.
5. Do not listen at high volumes for extended periods of time.
6. Do not use the headphones while operating a motor vehicle. Do not use the headphones any time it would be dangerous to be unaware of noises around you.
7. Adult supervision is required for children age 6 and under.
8. If you don’t feel comfortable after wearing the headphones, please refer to an audiologist for advice on whether or not in-ear headphones are suitable for you.

FAQ

1. The headphones don’t turn on. Check if your headphones have enough battery life. If not, please charge them for at least 30 minutes.
2. The headphones and my device do not connect, or take a long time to connect.
   1) Check if your headphones are in the “discoverable” mode (red and blue lights flash alternately).
   2) Make sure that your headphones are not connected to other devices, and that your device is not connected to other Bluetooth devices.
   3) We recommend that you press and hold both the Vol+ and Vol- buttons simultaneously for 5 seconds. Your headphones’ pairing history will be cleared and will automatically enter the “discoverable” mode.
   If they are still not connecting, restart your device to connect.
3. My Android device successfully connects to the headphones, but the headphones don’t play music.
   After pairing successfully, on the Bluetooth menu of your device, tap the icon on the right of your device name and make sure the “Media Audio” option is on.
4. My Android device successfully connects to the headphones, but there is no sound from the headphones while making phone calls.
   After pairing successfully, on the Bluetooth menu of your device, tap the icon on the right of your device name and make sure the “Phone Audio” option is on.

WEEE

Electrical and electronic equipment, parts and batteries marked with this symbol must not be disposed of with normal household waste. It must be collected and disposed of separately to protect the environment.

Your 1MORE retailer will advise you of the correct way of disposal in your country. Do not expose batteries or battery packs to excessive heat such as sunshine, fire or the like.

FCC

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution!
Any changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

CE

Hereby, 1MORE declares that this Radio LAN device is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.
