

# TIDE CLOCK AND TIME AND TIDE CLOCK INSTRUCTIONS

Install one “ AA “ sized battery in the correct direction. If the battery is reversed, the clock will not function.

## TO SET A TIDE CLOCK

Adjust the tide hand using the adjustment wheel on the back of the clock, according to your local tide information.

## TO SET A TIME & TIDE CLOCK

**FIRST:** Adjust the hour and minute hands to the correct time using the adjustment wheel on the back of the clock.

**SECOND:** Align the **RED** tide hand using the tide adjustment wheel according to your local tide information.

**FOR BEST RESULTS SET TO “HIGH TIDE” DURING A FULL MOON OR NEW MOON PHASE.**
