

Hombre dining chair

The Hombre chair is a versatile & highly functional chair that adapts to its surroundings. The concept was to create a strong, utilitarian & minimalist chair that is customizable & suitable for the high demands of the hospitality industry. The combination of solid American oak combined with the robust steel frame ensures the structural integrity of the chair while also being stackable up to 3 chairs for easy storage and transportation to make it more cost effective.

It is characterized by a combination of harmonious curved lines and rounded edges to create a timeless & minimalist look with carefully considered ergonomics to ensure comfort. The Hombre chair's colour palette ranges from energetic & fun to calm & elegant & can be combined with Ash or Oak wood. The seat can also be upholstered with leather, vinyl or fabric.
