

Dear Store Manager,

I'm a frequent customer of your store and have started using a fabulous new product, Frescobene Artisan Sauces.

These delicious sauces are made with only the highest quality ingredients, no added preservatives or sugars, packaged in boil in the bag pouches and frozen to retain freshness.

As a regular shopper of your store, I would really appreciate being able to purchase Frescobene Artisan Sauces here on a regular basis.

For price and product information, you can contact Frescobene Foods at 203-414-2550 or 203-984-6758 or email them at orders@frescobene.com

Thank you!
