Fact Sheet

Dusk Lamp

Design by Sylvain Willenz

The Dusk Lamp's easy curves and understated form, as well as its soft, ambient glow, are evocative of the classic Japanese paper lantern. Made from hand-blown glass by skilled craftspeople, the Dusk Lamp is a lighting choice for atmospheric interiors, romantic corners, or anywhere that calls for subtle styling. Gloss and matte shades are available in anthracite or ivory variations. The Dusk Lamp is designed by Sylvain Willenz and works effectively as a singular statement piece or in a group.
