Fact Sheet

Stripe Rug

Design by Arthur Arbesser

Fashion designer Arthur Arbesser has a particular skill with pattern and color. His bold graphic prints are frequently inspired by the architecture and design heritage of his home city, Vienna. For Hem he has applied his skills to a series of rugs, throws, and cushions. Each features a distinctive stylized pattern in an appealingly unconventional color palette. The Stripe Rug is thickly tufted in European wool and finished with a generous pile height for an especially luscious surface and a silk-like shine. Produced in India by a weaving collective to global ethical standards such as GoodWeave, SGS, and Woolmark.
