

Featuring a classic porro prism system, the PRAKTICA Toucan binoculars are an essential for anyone with a love of bird watching, hiking or travelling. Thanks to an impressive angular field of view, a rugged non-slip body and a large smooth focus wheel, spotting fast-moving wildlife has never been easier. Fully multi-coated optics and BAK-4 glass also maximise light transmission for clear, bright images all for an economical price.

In the box: Case, Neckstrap, Objective Lens Caps and Eyepiece Caps

25 year limited warranty from date of purchase
