

The Ultimate Pastry, Savory & Beverage
Ingredient Manufacturing Company!

Amoretti®

Our goal: *Perfection*

As seen in *Pastry Art & Design* magazine: Now and then a hardworking visionary comes along and defines the goals and standards of an entire generation. Among pastry ingredient manufacturers, Amoretti® is that company, and Jack Barsoumian, master creator (CEO), his wife Maral (Marketing President), and brother Ara (Manufacturing President), are the people behind it.

With an international reach and appeal, Amoretti supplies renowned patisseries, chocolatiers, ice creameries, five star hotels, restaurants, gourmet coffee chains, fortune 500 industrial bakeries, and royal palaces throughout the world.

“It’s more Art than Science”

—*Jack Barsoumian*
Founder, Master Creator, CEO

According to Barsoumian, “These ingredients were created not for profit, but for perfection.” With that philosophy at hand, Barsoumian created over one thousand uncompromised ingredient masterpieces in less than a decade, as he calls it, “from 1 to 1,000 in less than 10 years”—a feat that no one else can claim, given that he is self made and self educated in this field.

“My Mom did not give me any recipes,” he says and smiles. Armed with organic chemistry and cell molecular biology, the twice National Dean’s list holder says, “it’s more art than science”.

Maral Barsoumian, Marketing President & Jack Barsoumian, CEO

Our product offering currently includes nearly 2,000 pastry, savory, and beverage ingredients each bearing the hallmarks of an Amoretti product: premium ingredients, brilliant flavor, freshness, and consistency.

Welcome to the world of Amoretti®!

Macarons created by Chef Franck Iglesias 020210

“The Amoretti® almond flour by itself is so smooth, like pastry flour.

The Amoretti flour gives an amazing smooth texture to the macaron, it almost tastes like almond paste when it is mixed with the other ingredients.

I always need to robot coupe and pass through a tamis the regular almond flour, not Amoretti! In my opinion, Amoretti almond flour is the best almond flour I tested since I am in this country!”

**An Olive Oil's Aroma and Taste
Say Kalamata**

By FLORENCE FABRICANT, Published: August 2, 2011

There is no mistaking which olives went into Amoretti's new oil with the intense aroma and flavor of Kalamata. Maral Barsoumian, an owner, said the company infuses Tunisian extra-virgin olive oil with concentrated Kalamata essence derived from real olives. A drizzle on tomatoes, grilled fish, pasta or country bread adds a bold punch.

Amoretti Extra Virgin Kalamata Infused Olive Oil, organic and kosher, costs \$26.99 for 16.9 ounces at amoretti.com and amazon.com, and \$25.99 at Zabar's.

A version of this article appeared in print on August 3, 2011, on page D4 of the New York edition with the headline: Aroma and Taste Say Kalamata.
