Front Load - Dual Acceptor - High Capacity
CHANGE MACHINE

Standard introduces Modular Smart Hopper Technology in a High Capacity Changer!!!

The **NEW MC920-DA** is a FRONT LOAD-DUAL ACCEPTOR-CONSOLE STYLE CHANGER that features two Bill Acceptors and two Hoppers with 10,000-Quarters capacity each! Equipped with two of Standard's NEW galvanized steel Mega-Capacity Modular Hoppers featuring *Smart Hopper* Technology, designed to be used for quarters or dollar coins without any hopper modifications (Token Dispensing is also available).

The MC920-DA offers a solid-welded steel cabinet with two T-Handle "slam" locks on the changer, and one on the locking storage console base, for better security and peace of mind. Additionally, we provide steel coin cups, powder-coat paint finish & a Lexan graphics panel to insure lasting value and durability.

The base MC920-DA is designed for interior use, especially in locations that need high capacity - such as arcades, game rooms, coin laundries, festivals, zoos, aquariums, fairs. If you need a lot of coins for busy days, this is the machine for you!
