

It's Time to Start Your Own Home Based Business!

We have set up an aggressive compensation package that gives you the ability to work from home at your own pace as well as the opportunity to dictate your own income.

So whether you're looking for some extra income to pay for hockey or dance classes or you're looking for a way to get out of the 9 to 5 grind, we've got the compensation package to help you make that happen.

We start by paying you 20% on all sales you direct to our website through your unique web address. Do you have friends or family that would like to build their own home business? Sign them up and you will receive an additional 5% on their sales for everyone you add to your team. PLUS not only will you be able to make commissions on your first level of signup, this will extend to 5 people deep! The earning possibilities are truly limitless.

On top of all of this, you also receive a discount on all items you purchase from our website directly!

We have no problem saying that our products are truly the best! We hand pour the candles, melts, and soaps in our warehouse in Chilliwack BC. CandleJunkies.com called Ice 'N' Fire

"...One of the best options for Canadians looking to buy a ring candles. Period."

We provide an excellent compensation package, tons of support and high quality products; all we need is you to help us show them to everyone in Canada.

To get started stop by our website www.icenfire.ca or speak to the person that gave you this brochure! Their information should be on the back.
