

3 PUTT CHALLENGE

Ok, so you are working in an office environment and may be looking at ways to develop a great work culture or perhaps different ways to keep a team motivated. Our Shot 4 Shot 3 Hole Challenge is the perfect Office/Work Putting Game to enhance team culture and create effective team building skills.

Anyone can play - anyone can win - everybody will have some fun.

WHAT DO YOU NEED?

1 x Shot 4 Shot Putting Game - Includes: Shot 4 Shot Putting Mat, Putter, Golf Ball, Roll Back Bar

RULES:

Everybody is allowed 1 x Practice Putt before their turn. Everybody gets 3 Putts. It's that simple. Wherever the ball finishes just write down that score against your name. Grab the ball and putt the ball another two times and add up the total of the 3 Putts and that's your score. Compare your score or team scores to others. Winners can be awarded a prize, gift or just enjoy bragging rights.

Variations: You can choose to putt from either of the 2 TEE ZONES. You can also remove the Roll Back Bar to increase the difficulty of the game.

HERE'S HOW TO PLAY:

Step 1: Arrange the players into teams and create a team name for each team. Grab a white board and write down all the teams and everybody's name under that team. If no white is available then just use a piece of paper and a pen. You can also use a spreadsheet and keep an ongoing record of the matches. Or download a 3 Putt Scorecard from our website.

Team Name Examples: Untouchables, Dynamic Duo, Awesome Foursome. You can create whatever team name suits your environment or workplace.

Step 2: Roll out the Shot 4 Shot Putting Mat and assemble the Putter and place the Roll Back Bar under the mat at the end of the mat.

Step 3: Select the **TEE ZONE** (Starting Point) that everyone will be putting from.

Step 4: Start practising.

Step 5: Start Putting.

Shot 4 Shot - 3 Hole Challenge can be a Daily, Weekly or Monthly event. We even have Shot 4 Shot trophies available.

We hope you enjoy playing Shot 4 Shot. For more information visit www.putt18.com.au
