### **Putt18 Office Golf Rules:**

Each player has 9 putts which represents putting to 9 holes. Your score depends on where the ball finishes. Balls coming to rest within the following areas are scored the following way:

**Blue** circle = a Par or 0

**Red** circle = a Birdie or -1

White circle = an Eagle or -2.

Anywhere on the **Green** area = a Bogey or +1

In a **Bunker** = a Double Bogey or +2

In a **Water** Hazard = a Triple Bogey or +3

Putt the ball off the mat = a Triple Bogey or + 3

### **"Rogers" Roll Back Bar:**

We have included a Roll Back Bar to make it easier for those unfamiliar with putting a golf ball. If a putt is hit slightly harder than required the ball should roll back onto the putting mat surface. If the ball comes to rest and it is determined by the Host that the ball is on the line, then the player or team has the option to take the higher value or replay the putt.
