

WORKPLACE TEAM BUILDING ACTIVITIES INDOOR PUTTING COMPETITIONS

If you are a business based on the Central Coast in NSW and have employees that would enjoy an inhouse team building activity, then we have the solution. We host Indoor Putting Competitions within local workplaces that provide a fun, easy to play activity to revitalize and reconnect your team.

Yep, you heard correctly. We come to you. We bring all the gear and create a fun, competitive team experience for your staff in your workplace environment. You can be the catalyst to creating strong bonds, engage all staff and build a great workplace culture within your organisation.

HOW DOES IT WORK?

It's simple, and that's what we like it. We initially consult with you discuss your desired outcomes to determine the format. Generally, staff are arranged into teams of up to 6 players. Team's choose a team name and team captains are appointed.

WHAT SPACE DO WE NEED?

The minimum space required is (4m x 2m). However, if your workplace is larger our system is modular and can be expanded to run multiple matches over several mats.

DO WE NEED TO STOP WORK DURING THE TEAM BUILDING ACTIVITY?

The short answer is no. We understand some staff may need to be covered whilst they take their turn in their team. We can work around your staff and their work commitments on the day. We can stagger the activity for minimal workplace disruption with maximum fun.

HOW LONG DOES IT TAKE?

Generally, between 1.5 and 2 hours depending on how many staff you have. We can work around what time of the day suits your business and staff scheduling. We tailor the activity to your needs. We can even run the event after normal working hours if required.

ARE THERE PRIZES?

Yes, we can present prizes for the following results of the Putting Competition.

- 1st Place Team Prize Lowest Team Average Score
- 2nd Place Team Prize Second Lowest Team Average Score
- 1st Place Individual Prize Lowest Individual Score (BEST PUTTER PERPETUAL TROPHY)
- 2nd Place Individual Prize Second Lowest Individual Score
- Most Enthusiast, Most Consistent, Most Birdies, Most Eagles etc

We consult and decide what prizes and awards would suit your outcomes and tailor the event to your needs.

WHO PROVIDES THE PRIZES?

Ideally, you would be supplying the prizes according to what you feel is appropriate for your staff. That may be gift or movie vouchers, bottles of wine or maybe a trip to Hawaii. A Perpetual (Best Putter) trophy is included. The Best Putter will have workplace bragging rights until they need to defend their title. We can also provide prizes if required.

WHAT HAPPENS IF THERE'S A TIE?

Should there be a tie then there will be a 3-hole playoff. Should there still be a tie then the winner will be decided by a Hole by Hole Sudden Death Playoff.

WHAT DOES IT COST?

Again, this depends on how many staff you have and the duration of the event. Generally, the cost starts at \$600 for up to 20 staff.

PAY IT FORWARD?

If this activity has been referred to you by a business associate, business owner or industry colleague then we want you to receive a benefit from them. They've obviously thought that your business was important enough for you to benefit from using our service.
