COMPONENTS

# OUTDOOR KITCHEN COMPONENTS

We've recently upgraded our full line of outdoor kitchen components to feature double-lined construction, a heavier-duty flange, and soft closing drawers. Double-lined construction provides the extra insulation and resilience needed against the elements, and a thicker flange provides a sturdy, seamless fit and elegant style that will work with any counter-top and island finish. Soft closures bring the luxury of an indoor kitchen to the outdoor space. Summerset components also feature complete #304 construction, reversible door mounting, magnetic latch, smooth gliding drawers on heavy-duty tracks, and limited lifetime warranty. Sleek and seamless, Summerset components provide an integrated solution that can be personalized to any space.
