JNR, WNK & TJK MODELS GRILL HEADS

Model #TJK2

Model #WNK4DD

Model #JNR4DD

Tired of replacing your grill every few years?

The **JNR** and **WNK** models are built to last with solid, durable and rust-resistant heavy cast aluminum construction while providing even heat. The **TJK** combines the beauty and quality of stainless steel with a high-profile lid design to allow for all types of grilling. All models combine our stainless steel H-burner, cooking grids, stainless steel grate and porcelain briquettes to create a time-tested and reliable cooking system, while a variety of bases, cooking surfaces and upgrades allows you to customize the exact grill that fits your family and lifestyle.

SEARMAGIC COOKING GRIDS

These high-performance, reversible, rust-free, anodized aluminum cooking grids heat up faster and cook foods at a uniform temperature. The ribbed side is perfect for steaks and burgers while the smooth side is ideal for delicate items such as fish or vegetables.

HEAVY-DUTY STAINLESS STEEL DUAL "H" BURNER

Our longer lasting burner gas ports are uniform in size and shape, providing uniform flame on each port. Entire venturi is made of stainless steel and has a built-in Spider Guard.

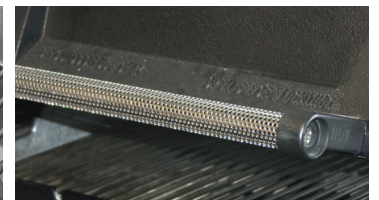

STAINLESS STEEL SWING-AWAY WARMING RACK

Standard on most of our models, our Stainless Steel Swing-Away Warming Rack can be used to keep items warm or as a secondary cooking surface.
JNR models include a Stainless Steel Drop-In Warming Rack

PORCELAIN BRIQUETTES & STAINLESS STEEL ROCK GRATE

Long lasting Flavor Master briquettes provide food with a cleaner, fresher barbecue flavor and will not rust. For long life, our Stainless Steel Heavy-Duty Rock Grate provides maximum durability and heat retention.

STA-KOOL STAINLESS STEEL HANDLE

Like the name says...our quality Sta-Kool handle stays cool to the touch and rolls when you open the lid.

MOUNTING & DESIGN OPTIONS

We have a variety of options to create your ideal outdoor entertainment area.
