

BRING YOUR BACKYARD **TO LIFE**

America's Best Value In Outdoor Kitchen Equipment

The RCS **Cutlass Pro Series** grills are designed for the weekend cook, as well as the professional chef. With cast stainless steel burners, solid stainless steel cooking grids and warming rack, plus the 304 stainless steel housing, these grills will provide many years of quality grilling.

Other features include the rear infrared rotisserie burner with motor, spit rod with forks, heat zone separators, dual-interior halogen lights, LED illuminated control knobs and a full width slide-out drip tray. Also included is the sure-strike ignition system, which is the most reliable igniter in the industry. These grills are gorgeously sophisticated, yet very simple to operate.

Features

- 304 stainless steel housing
- Cast stainless steel burners
- Dual interior halogen lights
- LED illuminated control knobs
- Sure-strike ignition

Outdoor Kitchen Accessories

Covers

Protect your grill or side burner with our 2-Ply heavy-duty vinyl with flannel backing, water-resistant, UV-protected, custom fitted covers.

Portable Grill Cover

Perfect fit to expand over the side shelves of your cart. With draw strings to insure a snug fit. See grills for item #

Built-In Grill Cover

For the days when your grill is not in use throw on a cover to keep it extra clean. With draw strings to insure a snug fit. See grills for item #

Side Burner Covers

Keep your side burner safe from the elements. Made to fit your RCS side burner. See side burner for item #

Grill / Side Burner Accessories

From sear burners, smoker trays to rotisserie kits, we have you covered to enhance all your grilling needs.

Smoker Trays

Add some extra flavor to your food. Just add your favorite wood chips and this will allow you to get that great wood flavor when cooking with gas. RST2632 / RST3042

Stainless Steel Griddles

Breakfast to dinner the RCS Griddles expand your grill and side burner options immensely. Made of heavy duty 3/8" stainless steel, integrated side handles, a grease trough and raised edges. Available in two sizes. RSSG1 / RSSG2

Infrared Sear Burners

Our sear burners can replace the left main burner in your grill to turn up the heat and get that perfect sear. IR2632 / IR30

Rotisserie Kits

Upgrade your Premier Series grill with the rotisserie kit perfect for roasting your favorite meals. The Rotisserie kit includes: rotisserie rod, handle, 2 forks, balance and motor. RJC32ROTIS / RJC40ROTIS

Island Accessories

Connections and access doors can easily be forgotten, but we have you covered.

Propane Hose and Regulator

The propane hose and regulator has a 3/8" flare fitting on one end and POL to screw on the outside threads of your propane tank. Low pressure, preset settings.
RONHK

Stainless Steel Flex Hose

To connect your RCS built-in gas grill to your natural or propane gas supply, the flex line is needed. The hose has a 1/2" female pipe thread on one end and a 1/2" male pipe thread on the other. Available in two lengths, 36" and 48".
SSFLEX6436 / SSFLEX6448

Outdoor Kitchen Vent

To ensure the safety and protection of your outdoor kitchen, vents are required every 4 feet. These help vent the built up heat beneath your grill in your outdoor kitchen and keep refrigeration equipment cooler.
RVNT1

Recessed Access Door with Lock

The RCS recessed doors are perfect for accessing valves, controls and timers. The door features 304 stainless steel for maximum strength and durability. Available in two sizes, 6x6 and 8x8.
RAD66 / RAD88

Insulated Liners

To protect your outdoor kitchen.

Grill / Side Burner Liners

The RCS stainless steel insulated liners help protect your outdoor kitchen from the high heat your grill and side burner produces. Each insulating liner features durable double-lined stainless steel construction for maximum strength and protection. The insulating liner is required when installing the grills or side burners into a cabinet constructed with combustible materials. See grills and side burners for item #

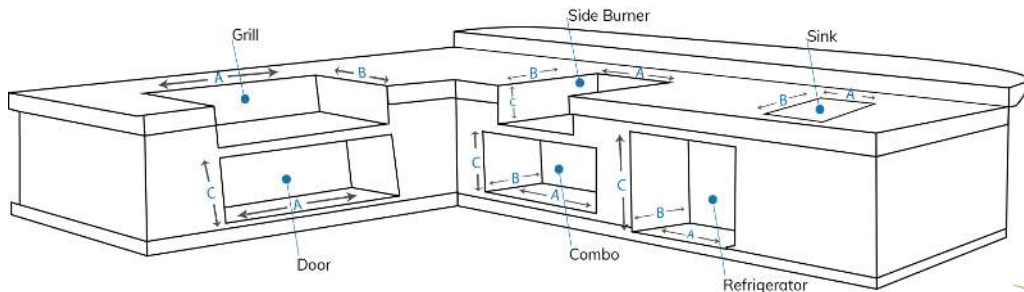

WARRANTY

RCS is proud to unveil the industry's most comprehensive warranty program. All RCS cooking components are now guaranteed for the lifetime of the original owner. Refrigeration products are warranted for five years to the original owner.

This warranty excludes normal surface corrosion, discoloration, surface scratches and surface rust which may occur during use. RCS will not be responsible for any damage caused as a result of not following owner's manual instructions. This nontransferable warranty is limited to the replacement of original (one-time) defective parts exchange does not include shipping and labor to remove or install replacement parts, if necessary. The owner must retain and submit their original receipt with any warranty claim to receive warranty parts. The warranty applies to the original owner only. Coverage is for residential use only, no commercial applications apply. No registration required. This new RCS warranty is effective for product sales beginning January 1st, 2018.
