

LARGE RECHARGEABLE

Gun Safe Dehumidifier

- Absorbs humidity from enclosed areas and helps prevent mold and mildew.
- Effective in spaces up to 500 cubic feet –perfect for closets, gun safes, pantries and other enclosed areas.
- No cords required for the dehumidifier to work.
- Moisture-control crystals change color to indicate when the unit needs recharging.
- Simply plug-in to recharge and dry out the crystals for continued use.
- Contains no harmful chemicals and is child, pet, and home safe
