Tidel D4e

The Tidel D4e smart safe offers industry-leading expansion capabilities that help retail organizations manage a wide range of cash management needs. By supporting a rich portfolio of connected peripherals, the Tidel D4e is the only choice for retail organizations that require the flexibility and scalability needed to address the broadest spectrum of cash management use cases.

EXPANSION CAPABILITIES FOR NOTE DISPENSING, COIN DISPENSING AND RECYCLING, AND NOTE VALIDATION

The Tidel D4e offers industry-leading expansion capabilities that enable retail organizations to recycle coins, dispense coins and notes, dispense rolled coin, and scale their note deposit and validation capabilities.

CONNECTIVITY AND UPGRADEABILITY

The Tidel D4e and supported peripherals connect via data cables that are provided with each system. The cables are offered in up to 100' lengths, which enable unparalleled flexibility when placing the systems in a store environment. By offering this plug and play connectivity method, peripherals can be purchased and deployed after a Tidel D4e has been placed in a store, enabling a simple and convenient upgrade path.
