PR7 MINI SECURITY

Our New PR7 mini body-worn video (BWV) includes a simple to use password-protected camera manager.

This user-friendly software allows you to view your records and if required give access to others. Security has never been so easy.

The screenshot shows a login window titled "Login (V1.0.8.1)". The window features the Pinnacle Response logo at the top, which includes the word "PINNACLE" in a large, bold, sans-serif font, "RESPONSE.COM" in a smaller font below it, and a red triangle icon to the right. Below the logo, there are two input fields: "User Type:" with a dropdown menu currently showing "Administrator", and "Password:" with a text box containing six dots. At the bottom of the form, there are two buttons: "Login" and "Cancel".
